General External Resources:

Disclaimer - Our program provides additional resources that may be of use to our session attendees. This list is not inclusive, nor does our program endorse specific organizations.

- Healthmap.org (Location based alerts)
- Center for Infectious Disease Research and Policy (CIDRAP), University of Minnesota (UNM)
- The University of Nebraska Medical Center (UNMC) - Global Center for Health Security: The Transmission
- Global Biodefense
- CDC – Division of High-Consequence Pathogens and Pathology
- Georgia Department of Public Health – Travel Clinical Assistant (TCA)
 - <https://dph.georgia.gov/TravelClinicalAssistant>
- ProMED – International Society for Infectious Diseases

Please continue to check your local and state public health websites for additional resources and guidance.

Session Resources:

- CDC National Institute for Occupational Safety and Health (NIOSH) - Tuberculosis
 - <https://www.cdc.gov/niosh/tb/about/index.html>
- Mobile TB Reference Guide App (available for Android and iPhone)

- Download on the APPLE App Store
 - Get it on Google Play Store
- Estimated Costs of 4-Month Pulmonary Tuberculosis Treatment Regimen, United States
 - <https://pmc.ncbi.nlm.nih.gov/articles/PMC10521593/>
- Georgia Department of Public Health
 - Tuberculosis Prevention and Control
 - <https://dph.georgia.gov/health-topics/tuberculosis-tb-prevention-and-control>
 - Reporting Tuberculosis
 - <https://dph.georgia.gov/health-topics/tuberculosis-tb-prevention-and-control/reporting-tuberculosis>
 - TB – Clinicians and Healthcare Providers
 - <https://dph.georgia.gov/health-topics/tuberculosis-tb-prevention-and-control/tb-clinicians-and-healthcare-providers>
- ATS/CDC/IDSA Guidelines for Treatment of Drug-Susceptible Tuberculosis
 - <https://www.idsociety.org/practice-guideline/treatment-of-drug-susceptible-tb/>

Session Reminder:

- Public health departments are a great resource for TB treatment, which is generally provided at no cost.
